

# Well Done

*The SGC would like to thank the teachers and support staff for all their hard work in maintaining a 'good' grading in the recent Ofsted report.*

*The Ofsted inspector pointed out that this was a very rigorous examination of the School, its processes, standards of teaching, facilities, and student progress. Our School is in good shape, with plans already in place to secure continuous improvement. This is an excellent achievement.*

THANK YOU FOR ALL THE RESPONSES FROM THE PARENTS SURVEY, THE SGC WILL BE ASSESSING THE REPLIES AND WILL UPDATE YOU ON ANY ACTIONS IN THE FUTURE.

## British Forces School Naples

We would like to introduce you to your School Governance Committee. We have three main roles:

# 1

### To Provide Support:

The committee will support the School; the staff, children, supporters and parents alike. Our efforts will maintain a strategic focus on the key issues of raising standards of achievement, establishing high expectations and promoting effective teaching and learning.

# 2

### To Ensure Accountability:

The Headteacher reports to the SGC on the School's performance and on matters such as staffing, attendance, policies, and the improvement plan. The SGC has a right to discuss and question such matters, whilst always respecting the professional roles of Mrs Jones and her staff.

# 3

### To Act as a Critical Friend:

The SGC maintains a close, but very professional, link with Mrs Jones and her team to provide a different perspective and highlight issues that need to be addressed. The broad based committee is able to draw on wide ranging knowledge and experience from amongst its members to offer sound advice and guidance.
