CORE VALUES OF BRITISH FORCES SCHOOL, NAPLES

A core value is a central belief which is understood and shared by every member of the school community. Core values arise out of what we believe to be important about people, about society and about learning and knowledge.

We believe that through promoting Core Values we can help children to value themselves, families and other relationships, the wider groups to which we belong, the diversity in our society and the environment in which we live.

Our core values underpin everything we do. Along with these, the British Values of democracy, the rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs are embedded within our school.

- I recognise the feelings that come with 'giving it a go'
- I can celebrate mini successes
- I recognise when others find it hard to persevere/give it a go
- I can support others to persevere and help them become independent learners.
- I am curious about the world around me and ask questions
