

# Hope

## By Finley

Hope is an achievement,  
A lightning strike.  
Hope for another dog.  
Hope feels like a firework,  
An explosion of colour that never  
Turns grey.

But sometimes...  
Faith goes.  
What will be left?  
Nothing.  
Broken down.  
So,  
Don't stop...

You can get from good to fantastic.  
All bad things go.  
The grey turns to rainbow,  
Nothing turns to something,  
Deserts turn to bright green forests...  
Hope never loses a war.
