

Hoping

By Lucy

Invisible possibilities,
So close – so far
Desire so strong
Feelings so sad yet so happy.

Feeling impossible yet you can do it,
From impossible to possible,
Get rid of Covid-19,
Football coming to the UK,
Are some sparkles of hope.

You may be an optimist,
Or let thoughts worry you,
Looking out to the horizon at the sunset,
Or sitting on your bed alone,
Hoping, hoping, hoping.
